- **Educational Levies 2022**

The amount of the grade specific educational levy will be advised to you in November 2021. This levy will be billed monthly over 10 months or can be paid in full in January 2022. The levy is calculated and monitored per grade and will include all compulsory charges, such as outings, tours, external examination fees, but exclude sports tours, fundraising, and any optional costs.

- **Refundable Deposit**

Upon the first year of enrolment at HeronBridge College you are required to pay a refundable deposit equal to one term's fee. The deposit is paid off in instalments as outlined below:

- R5000 towards the deposit is payable upon enrolment to secure your place.
- The remainder of the deposit is payable in the first 3 months of commencement of schooling and divided equally over 3 months (January, February, and March).
- No fees will be charged to the account whilst the remainder of the deposit is paid over January to March in the 1st year.
- School fees will be charged from April to December in the 1st year of enrolment. School fees will be billed for 9 months.
- **This affords you a 10% discount on school fees in your 1st year of enrolment.**
- As from your 2nd year at the school, the normal school fee policy applies.

*If a learner starts mid-year, R5000 of the deposit is payable upon enrolment to secure your place. The balance of the deposit is payable in the first three months of schooling in equal instalments. For the first year school fees will be charged after the first three months until December. At the end of a learner's final term at HeronBridge (provided the requisite full term's notice has been given) the full amount of the deposit held at that date will be credited to the fee account and the credit balance on the account refunded.

- **Deposit top ups 2022**

In terms of the enrolment contract, a deposit equal to one term's fee is payable to secure a place. This deposit is free of interest and is always increased annually in January each year so that it is equal to one third of the annual fee. This annual increase is referred to as the "Deposit Top-Up". For 2022, it was decided that no deposit top up will apply and that the 2021 deposit values will be carried forward as is.
